EXECUTIVE SUMMARY

- The [Sunday Telegraph](#) (page 1) reports that 35 per cent of eligible Australians are registered as organ and tissue donors, down from 36 per cent last year, while 2000 Australians await transplants. News Corp outlets are campaigning for states and territories to join South Australia in adding donor registration to driver's licence applications. *Also reported by:* [Sunday Telegraph](#), [Sunday Mail Adelaide](#), [Sunday Territorian](#), [Sunday Times](#)
- The [Sunday Canberra Times](#) (page 1) reports that a shortage of ACT ambulance staff is causing frequent station closures and pushing paramedics to work dangerously long shifts.
- The [Sun Herald](#) (page 2) reports that staff at three NSW hospitals raised safety concerns over pigeon infestations, with patients at one facility being treated for bird lice.
- The [Sunday Mail Adelaide](#) (page 3) reports that employees of medical research charity The Hospital Research Foundation Group have made serious bullying allegations against a senior figure.
- The [Sunday Tasmanian](#) (page 4) reports that construction of Royal Hobart Hospital's expanded emergency department at will begin in "coming weeks", the state government says.
- The [Sunday Tasmanian](#) (page 4) reports that the Greens have denounced a state government plan to release daily health system updates, announced on Friday, as "meaningless".

- The [Sunday Herald Sun](#) (page 5) reports that students at a small school in Gippsland have had to rely on bottled water for months after E. coli was found in tank water.
- The [Sunday Territorian](#) (page 6) reports that an operator has been selected for the Northern Territory's ninth Medicare Urgent Care Clinic, soon to open in the Darwin suburb of Eaton. "The Albanese government is getting on with the job of delivering more Medicare Urgent Care Clinics for people in the Northern Territory," Minister for Health Mark Butler said.
- The [Sunday Tasmanian](#) (page 8) reports that AMA Tasmania has rejected a state Health Department proposal to relocate a youth mental health facility in New Town to an office building in central Hobart.
- The [Sunday Age](#) (page 9) reports that the Department of Health has found there is insufficient evidence to continue private health insurance rebates for spinal cord stimulators, with a final decision to come later this year.

MINISTER BUTLER

New clinic just months away

Sunday Territorian, General News, 01/03/2026, Lottie Hood, Page 5

The operator for the Top End's newest Medicare Urgent Care Clinic has been selected and is expected to open in the next few months. [...] Health Minister Mark Butler said the newest clinic would join an existing network of eight urgent care clinics across the Northern Territory.

Costly immunotherapy cancer drugs make the benefits scheme

Sunday Times, General News, 01/03/2026, John Flint, Page 20

More than 5000 Australian cancer sufferers can now get cheap access to lifesaving drugs that previously cost some patients more than \$100,000 per course. [...] "This will mean Australian patients can get the treatment they need faster and at an affordable price," Minister for Health and Ageing Mark Butler said.

All talk? Yay, that's how you save a life

Sunday Tasmanian, General News, 01/03/2026, Rebecca White MP, Page 68

There are conversations we put off because they feel too hard. We tell ourselves there will be time. Time to talk about our wishes. Time to explain what matters to us. Time to have the practical conversations that sit uncomfortably alongside everyday life. But recently, I was reminded that time is not something any of us can take for granted.

Subsidies cut on controversial spinal implants that 'don't work'

Sunday Age, General News, 01/03/2026, Liam Mannix, Page 9

Private health insurance rebates for spinal cord stimulators are set to go under the knife after the federal Health Department found there was not enough evidence to support use of the expensive, controversial devices. The proposed changes would cut the subsidy by up to \$6182 for the devices, and by \$6450 for the electrical leads that wire them into the spine.

Your licence to save lives

Sunday Herald Sun, Editorials, 01/03/2026, Page 64

Thousands of Australians have a lifesaving power to offer others. And all it requires is their consent to use it, and making your intentions clear to loved ones. Repeated surveys have shown the overwhelming majority of Australians support organ donation but not enough people are taking the steps to formalise their consent.

[Read Plain Text](#) [Read More](#)

Put your heart into organ push

Sunday Mail Brisbane, Editorials, 01/03/2026, Page 66

There is no greater gift we can offer our fellow humans than life itself. And the opportunity to give such a gift is remarkably straightforward. But, inexplicably, governments across the nation have not implemented a policy that could save thousands of lives as more than 2000 anxious Australians languish on a waiting list for a lifesaving organ transplant.

[Read Plain Text](#) [Read More](#)

Time for nation to follow SA and Count Me In

Sunday Mail Adelaide, Editorials, 01/03/2026, Page 57

The good hearts of South Australians are leading the nation in the lifesaving gift of organ donation. South Australia's simple and easy system of using driver's licences to confirm a person wants to be an organ donor must be taken up by other states and territories.

[Read Plain Text](#) [Read More](#)

Give the gift

Sunday Territorian, Editorials, 01/03/2026, Page 52

Some decisions feel big. Organ donation sounds like one of them – confronting, emotional and something people assume they will think about later. But the reality is far simpler. Right now, more than 2000 Australians are waiting for a lifesaving organ transplant. For about 50 people each year, that call never comes.

[Read Plain Text](#) [Read More](#)

Giving the gift of life

Sunday Times, General News, 01/03/2026, Claire Sadler, Page 30

More than 17,000 West Australians signed up to be an organ donor last year after registrations were reinstated onto drivers licence and vehicle renewal forms. Organ donation registrations in 2025 surged by 25 per cent compared to the previous year with 17,564 West Australians signing up compared to 14,045 in 2024.
